Elective Courses	All courses offered by the university, except for IMBA Core Required Courses and language courses, can be counted as Elective Courses.			

* 1 credit courses

Note 1) Although Advanced Seminar I, II and III are core required courses and students are required to obtain 6 credits from them, only 2 of the 6 credits are counted toward graduation in the research report option while 6 credits will be counted for the thesis option.

Note 2) Students must choose courses from the list of Elective courses and obtain at least 8 credits, if he/she opted thesis, or 12 credits, if he/she opted research report. Students can choose any courses from Core Elective Courses (IMBA Common Courses) and Core Elective Courses (E-Biz Courses). In the case of E-biz concentration, a student who opts "thesis" must obtain 8 credits from among the Core Elective Courses (Ebiz). If a student opts research report, 12 credits must be obtained from Core Elective Courses and 4 of the 12 credits can be obtained from the Core Elective Courses (IMBA Common).
