Write one (1) essay on your motivation for applying to the International University of Japan. In your essay, please include answers to each of the following three questions.

1. How do you expect the education at IUJ to contribute to expanding the scope of your personal career and/or goals?
2. How do you think the education at IUJ will enhance your possible contribution to solving the problems of your country or the world?
3. (In case you already have acquired or expect to acquire a Master's degree before coming to IUJ) Why do you want to study in another Master's program at IUJ?

Please write your essay on separate sheets of paper in such a way that it reflects your views on the world and yourself adequately. The essay must be **typewritten in English, from 750 to 1,250 words**, and prepared without the assistance of any other person.

Sign and date this form. Attach your essay to the back of this form. Your essay along with this form must be submitted to IUJ together with other application documents.

I hereby submit my essay as required and certify that I have received no help whatsoever in writing the essay in English.
