

Introduction of IT Services at IUJ

IUJ provides the following computer environment on campus for students

1. A hundred computers in two computer classrooms of the Matsushita Library and Information Center (MLIC) and eight computers in two dormitory's computer lounges in total. They are available for 24 hours a day.
2. The high speed of the campus LAN network based on the Gigabits backbone of optical fiber cables.
3. Accessible 53,800 kinds of full-text e-journals and more than 30 online databases (Off-campus users can also access).
4. The wired/wireless internet connection in the individual rooms of the dormitories.
5. We provide Free LAN outlets for personal computers in the MLIC library and the computer classrooms, and Wireless LAN access provided in the Dormitories, MLIC Library, Gym, and Snack Lounge, etc. A computer account (email address) and individual Google Drive to every IUJ student.
6. Windows 10 English version, Microsoft Office suite and some statistic software are available on the shared computers in the computer classrooms.
7. We provide Microsoft Office/Windows OS for free for regular students.
8. In case of online (Zoom) courses, we use Google Classroom and Google Drive as IUJ's Learning Management System.
