The purpose of the GSIR screening is to find applicants who can contribute to creating a stimulating academic environment for studying important practical policy issues, especially those related to enhancing understanding among different cultures and nations, increased economic performance, good governance, establishing peace and improving living conditions throughout the world.

6. In addition, the applicant's skills in written and spoken English is a vital point to be evaluated as all the courses at IUJ are taught in English.

Decision Cycles and Admission Schedules**For Domestic Applicants:**

It is mandatory for residents of Japan to sit for an exam and take an interview conducted by IUJ faculty members in English. Each program offers several opportunities for admission interviews throughout the selection cycle. These interviews are scheduled between February and June each year. IUJ bases each applicant's admission decision on the evaluation of the interview, test results, and application materials submitted. Applicants will be notified of the results according to the Admission's Schedule (See "Admission Schedules").

Applicants will be informed of details relevant to the interview and entrance examination after submission of the online application.

Exam Site: ▶IUJ Campus

Application for Scholarship

Several scholarships are available through IUJ for highly qualified non-sponsored students. IUJ selects scholarship candidates from the pool of successful applicants at the time of admissions decisions. Those requiring financial support fill in the required online section, in the 2nd phase of the online application process, or indicate that no scholarship is needed in that section.

For Japanese Applicants

IUJ grants S. Nakayama Memorial Scholarships or a loan program to qualified Japanese applicants. All non-sponsored applicants are eligible to apply for them. Those who would like to apply for this financial aid should fill out the "Scholarship Application for Japanese Applicants" by the deadlines, and mail it to the Admissions Office attaching a "Certificate of Income" "Gensen Choshusho", "Kakutei Shinkokusho" etc.

For more details, please refer to the IUJ Scholarship Guidelines for Japanese Applicants.

For Non-Japanese Applicants

IUJ grants S. Nakayama Memorial Scholarships to qualified non-Japanese applicants. All non-sponsored applicants are eligible to apply for this scholarship. IUJ also recommends qualified Non-Japanese applicants to scholarship programs provided by our affiliated organizations such as ADB (Asian Development Bank), AEON (AEON 1% Club), etc.

To be considered for the above-mentioned scholarships, complete the online application form in the 2nd phase of the online system.

For more details, please refer to the "**IUJ Scholarship Guidelines for Non-Japanese Applicants**" on the website at <https://www.iuj.ac.jp/admis/scholarship/>

Applicants are strongly encouraged to seek alternative sources of funding on their own, as not all those admitted to IUJ programs can be supported through IUJ administered processes.

Financial planning is especially important for non-Japanese applicants in obtaining a Certificate of Eligibility (CE) needed to obtain a College Student Visa. You will be required to prove to the consular officer and the Japanese Ministry of Justice that you have sufficient funds to cover expenses for study in Japan, such as the university's tuition and fees and living expenses (housing, food, clothing, etc.).

Notes:

- Results of scholarship selection are not available from IUJ until after mid-March each year. Moreover, non-Japanese applicants who are recommended by IUJ to an external scholarship foundation for consideration need to complete a separate application process (The Admissions staff will guide you at the appropriate time) and wait for the final decision which can take until the middle of July.
- Application for scholarships does not affect IUJ's consideration of a student's application for admissions.
- If you do not submit a scholarship application, you will not be considered for a scholarship.
- Deadlines for scholarship applications are the same as admission application deadlines. A scholarship application must be submitted online along with the complete set of application materials for admission.
- There are no chances to apply for financial aid to cover tuition after entering IUJ, except the MEXT scholarships which are highly competitive. Students may have an opportunity to apply for some scholarships that cover only partial living expenses after enrollment, such as offered by JASSO. The selection process is competitive.

Application Acknowledgment

As IUJ receives your completed online application forms, and other required application materials/test scores and the supporting documentation, IUJ will send you acknowledgment messages explaining your application status, usually by E-mail. The acknowledgement will contain the same unique application ID number you were given when you started your application online.

We ask you, too, to use your Application ID number in all correspondence you may make with IUJ to help us identify you and provide timely support.

Admissions Results

You can confirm your admission result online with your online application account on the dates of announcement of admissions results listed in the table on the previous page. For successful applicants, we will send the admission package by express registered mail to each applicant. If you do not receive the documents from IUJ in a timely manner (appropriate to your location and express mail services) contact us. A list of successful applicants will also be posted at IUJ's Urasa campus at 13:00 Japan time on those dates. Admission decisions cannot be released by telephone or email, in principle.

Announced decisions are final. IUJ will not answer any inquiries about unsuccessful results.

Admission Procedures

If you are accepted, A Notification of Successful Result will be sent to you by postal mail. It does not constitute a guarantee of admissions. Successful applicants will be requested to inform us of their intention to enroll, and will be asked to submit some additional documents and pay the Admissions Fee. These actions are referred to as "Admission Procedures". Details of admission procedures are mailed to successful applicants along with the admissions results. Only those who complete the admission procedures will be issued an official LETTER OF ADMISSIONS. This letter, along with a Certificate of Eligibility which IUJ will help you obtain, is used to apply for your College Student Visa from the applicant's local Japanese embassy or consulate. Those who fail to complete these procedures will be considered to have declined IUJ admissions.

Deferred admission is not offered at IUJ.
