

# Assessment Policy

International University of Japan (IUJ) conducts educational activities based on three policies, its Admission Policy (AP), Curriculum Policy (CP), and Diploma Policy (DP). IUJ continuously inspects and evaluates its educational achievements and uses those results to improve educational activities. IUJ collects and tabulates information related to students from before enrollment to post-graduation, and inspects and evaluates the educational achievements at the University Level, Graduate School Level, and Course Level.

	Before or After enrolling	Enrolled	Graduating or Graduated
<b>University level</b>	Admission screening	GPA/Earned credits	GPA/Earned credits
		Student status (withdrawal, dismissal, retention, leave of absence)	Student status (laureation) Alumni status (career Path)
		Survey on achievement of Learning Objectives	Graduating survey
		Course evaluation survey	Alumni survey
			Survey for employers
<b>Graduate School level</b>	Admission screening	GPA/Earned Credits	GPA/earned credits
		Student status (withdrawal, dismissal, retention, leave of absence)	Student status (laureation) Alumni status (career path)
		Survey on achievement of Learning Objectives	Graduating survey
		Course evaluation survey	Thesis or research report for graduation
<b>Course Level</b>	Japanese qualifying test	Course grade	
	English exemption test	Course evaluation survey	

## GPA (Grade Point Average)

An average value calculated from the number of credits and points after adding points awarded in the grade evaluation of courses.

## Survey on achievement of Learning Objectives

Periodic assessment of learning achievements (achievement of learning objectives in the Diploma Policy)

## Course evaluation survey

Evaluation of study hours/learning achievements and abilities acquired in each course

## Graduating survey

Evaluation of study hours/learning achievements (achievement of learning objectives in the Diploma Policy) and abilities acquired while in IUJ.

## Alumni survey

Evaluation of the usefulness of abilities acquired in IUJ for alumni's career

## Survey for employers

Evaluation of the usefulness of abilities acquired in IUJ for alumni's employer
