

GRADUATE SCHOOL OF INTERNATIONAL MANAGEMENT

COURSE REGISTRATION FORM FOR AUDIT

GSIM students may audit up to two (2) GSIM courses per term provided that permission is obtained from the course instructor(s) and that there is space in the class. The instructor shall determine if the auditor may or may not participate in class discussions. The grade "Audit" is given when the student meets the audit standard specified by the instructor, but no credit is given. However, class attendance alone may not be sufficient. If the student does not meet the audit standard, the grade "W" (withdrawal) will be given. Auditors will be charged the same fees for course materials as regular students.
