Recruiter Timeline

- **Anytime**
 - Arrange for on-campus (or other method) recruiting visits
- **October - late November**
 - Receive the IUJ Resume Book and/or view the online
- **Mid January - Late February**
 - Main On-campus recruiting time.
- **Mid April - late May**
 - Spring recruiting season.
- **July or after**
 - MBA/MA employee or intern (September for Ebiz)
 - For Interns, IUJ ensures Work (July - September)

IUJ is flexible to adapt our scheduling to your recruiting style.

Student Timeline

- **Late September**
 - Attend career workshops and draft resume. Begin applying online for finance related internships and UN related jobs
- **October**
 - finalize resume and explore career options. Begin to apply and interview in reaction to CC&S announcements, and on websites. Receive first coaching session from CC&S.
- **December**
 - begin to apply on own and through CC&S for Winter Term interviews. Prepare UN related applications for internships. Attend Job Fairs and Info Sessions offered by companies on target list (for April Start year after graduation, and often for “new hires”)
- **January - February**
 - Send UN related internship applications and continue to apply for various online and campus announced positions. Apply through IUJ and on own for business internships. Mid April - late May
 - Spring recruiting season.
- **March – April**
 - Finalize Offers through IUJ. Job hunters for the following year should apply through ENTRY SHEETS for Japanese firms, and plan to interview in August (if following the traditional job recruitment timeline)
- **May – June**
 - Change visa status (jobs) or obtain work permits (Interns)
- **July**
 - Start internships or jobs
 - Internships may run from early July through late September depending on the company/organization needs and the students’ scholarship issues and Fall exchange program timing (when applicable). Ebiz students may participate in internships, referred to as “practicum” under very special conditions only. Ask the career counselor.
 - Employment positions may start in July or after for MA and MBA students and September or after for Ebiz students.
 - Some companies have strict “April Start” employment policies for incoming employees to enhance their long-term career development with the firm. MBA/MA employee or intern (September for Ebiz)
 - For Interns, IUJ ensures Work
