* 1 credit courses

Note 1) Although Advanced Seminar I, II and III are core required courses and students are required to obtain 6 credits from them, only 2 of the 6 credits are counted toward graduation for the research report option while 6 credits will be counted for a thesis.

Note 2) The required number of credits from Core Elective Courses differs depending on whether a thesis or research report is written. For the thesis option, 9 credits must be obtained from Core Elective Courses, while 13 credits must be obtained in the research report option.

Note 3) You must obtain at least 2 credits from the "Political Science" area, 2 credits from the "Economics" area, and 4 credits from the "Management" area.
