Credit requirements in each category

Program Credits	1	Core	Students must take all 10 courses (including Summer Capstone courses) and obtain 16 credits in total.
	2	Core Elective	Students must choose courses from the list of Elective courses (IMBA Common Courses and E-biz Courses) and obtain at least 8 credits, if he/she opts thesis, or 12 credits, if he/she opts research report. In the case of E-biz concentration, students must obtain 8 credits from among the Core Elective (E-biz Courses), if he/she opts thesis. If he/she opts research report, 12 credits must be obtained and at least 8 of the 12 credits must be obtained from the E-biz Courses (4 of the 12 credits can be obtained from the IMBA Common Courses).
	3	Seminar	Students must register for Advanced Seminar I - III and obtain 6 credits. In case of students opting for Research Report, even if they obtain 6 credits, only 2 credits are counted towards their graduation requirement.
School Credits	4	GSIM Courses	IMBA Students must obtain 30 credits from any courses offered by GSIM except for language courses.
	5	GSIR Courses	Credits obtained from GSIR courses can be counted toward degree.
