Elective Courses 4 credits	GSIR courses	At least 2 credits must be obtained from GSIR course(s) which are not listed in the GSIM course offerings.			
	2 credits	Select from all the courses offered at IUJ (including language courses). The maximum number of credits from language courses which count towards graduation is 2. The extra credits you obtained from the courses listed in Core Elective categories above can be counted as Elective course credits.			
Required Number of Credits for Graduation : 40 credits (Thesis option) / 44 credits (Research Report option)					

Students are required to obtain at least 30 credits from the courses listed in the GSIM course offerings other than language courses.

Note) The required number of Core Elective course credits differs depending on whether a thesis or research report is to be undertaken. In the thesis option, 11 credits must be obtained while 15 credits must be obtained in the case of a research report option.
