Elective Courses 4 credits	GSIR courses at least 2 credits	At least 2 credits must be obtained from GSIR course(s) which are not listed in the GSIM course offerings.		
	2 credits	Select from all the courses offered at IUJ (including language courses). The maximum number of credits from language courses which count towards graduation is 2. The extra credits you obtained from the courses listed in Core Elective categories above can be counted as Elective course credits.		
<b>Required Number of Credits for Graduation :</b> <b>40 credits (Thesis option) / 44 credits (Research Report option) <sup>Note 1)</sup></b>				

\*1 credit course

Note 1) Students are required to obtain at least 30 credits from the courses listed in the GSIM course offerings other than language courses.

Note 2) The required number of credits from Core Elective course differs depending on whether a thesis or research report is written. For the thesis option 11 credits must be obtained from Core Elective Courses, while 15 credits must be obtained in the case of a research report option.
