Elective Courses	All the courses offered by the university, except for IMBA core required courses and language courses,				

- Note 1 Although Advanced Seminar I , II , III are the core required courses and students are required to obtain 6 credits from them, only 2 of the 6 credits are counted toward graduation in the case of research report option while 6 credits will be counted in the case of thesis option. (You can choose either "Thesis" or "Research Report.")
- Note 2 Required number of credits from Core Elective courses differs depending on the paper options (either a thesis or research report). If a student opts thesis option, 8 credits must be obtained and 12 credits must be obtained in the case of a research report option.
