

Options for Teaching Mode

July 31, 2020

	How to conduct classes
Option 1	Both F2F and online via Zoom separately Course Instructor conduct in-class sessions for those who are on-campus. Course Instructor conduct another lecture with the same contents via zoom separately and record it in cloud for those who are out of Japan. If a student cannot attend live-Zoom classes, he/she is supposed to watch the video within 2 days of the live lecture.
Option 2	Both F2F and online via Zoom simultaneously Course Instructor conduct in-class sessions for those who are on campus and at the same time via Zoom and record it in cloud. If a student cannot attend live-Zoom classes, he/she is supposed to watch the video within 2 days of the live lecture.
Option 3	F2F only Course Instructor conduct F2F classes only.
Option 4	Online via Zoom only Course Instructor conduct classes only online via Zoom and record it in cloud so that those who cannot participate in a live-Zoom class can watch it within 2 days of the live lecture.
