

## Special Summer Program 2020: Special Research Seminar

Your Name: \_\_\_\_\_ Jinnai \_\_\_\_\_

### Joint Presentation and Discussion

Description	<p>Students (both 1st-year and 2nd-year) demonstrate their progress in their own research work. All the participants of this special seminar will join the discussion to provide helpful feedback with each other to improve each student's research ideas, framework, and approach. The instructor will manage the discussion and summarize the outcomes so that all the participants will strengthen their basic understanding about how to conduct an academic study.</p>
