

Special Summer Program 2020: Special Research Seminar

Your Name: Maurya Dayashankar

Joint Presentation and Discussion	
Description	<p>Challenges in Using Case Study Methods and Strategies to Overcome them</p> <p>This research seminar will be done with my supervisees who are going to use case study methods for their thesis. I will facilitate the discussion with supervisees in terms of challenges they foresee and what are some of the options to overcome them.</p> <p>The seminar is offered once in the fourth week of July as discussion with my supervisees.</p>
