

Course Requirements for the Class of 2022* (*Students who enrolled in 2020)

International Development Program (IDP)

■ MA in International Development

NOTE: The table below is not applicable to the "Linkage program students".

Categories	Course ID	Course Title	Credit	Term	
Core Required Courses 22 credits	Basic 16 credits	DCC5270	• Development Economics	2	Spr
		DCC5265	• Development Policy and Globalization	2	Win
		DCC5261	• Econometrics	2	Win
		DCC5245	• Macroeconomics I: Income Theory	2	Fall (2)
		DCC5252	• Macroeconomics II: Business Cycle and Growth Theory	2	Win (2)
		DCC5238	• Microeconomics I: Price Theory	2	Fall (2)
		DCC5242	• Microeconomics II: Strategic Behavior and Information Analysis	2	Win (2)
		DCC5220	• Statistical Methods	2	Fall (2)
	Seminar 6 credits Note1)	SEM8010	• Advanced Seminar I	2	Spr
		SEM8020	• Advanced Seminar II	2	Fall
		SEM8030	• Advanced Seminar III	2	Win
Core Elective Courses At least 2 credits or 6 credits	Note2)	ADC6552	• Agricultural Development and Resource Revenue Management	2	Fall
		ADC5400	• Analysis of Development Policies and Programs	2	Win
		MCM4100	• Business Presentation	2	Fall/Spr
		ADC6765	• Cost Benefit Analysis	2	Spr
		ADC6515	• Cross-sectional and Panel Data Analysis	2	Spr
		ADC6656	• Environmental and Health Economics	2	Fall
		ADC6548	• Evolving Development Paradigms and Changing Operational Strategies of Development Organizations	2	Spr
		ADC5105	• Financial System and Financial Regulation	1	Spr
		ADC5115	• Global Market Seminar	1	Fall
		ADC6755	• Industrial Organization and Policy Analysis	2	Fall
		ADC7010	• Inequality and Poverty: Measurement and Applications	2	Fall
		ADC6647	• Interactions, Institutions, and Economic Development	2	Win
		DCC5284	• International Finance	2	Fall
		DCC5285	• International Trade	2	Spr
		REC6436	• Issues in African Development	2	Spr
		JDP4100	• Japanese Corporate Finance and Financial System	2	Fall
		JDP5300	• Japanese Economic Development and Growing Asia	2	Fall
		JDP5051	• Japanese International Development Cooperation	2	Spr
		JDP5101	• Japanese Public Finance and Administration	2	Fall
		JDP5211	• Japan's Education System	2	Win
		ADC6663	• Labor Economics	2	Win
		ADC6567	• Macroeconomic Modeling and Forecasting	2	Spr
		DCC5255	• Macroeconomics and Policy Analysis	2	Win
		ADC5001	• Mathematics for Economics and Management	2	Fall (2)
		DCC5281	• Monetary Economics and Policy Analysis	2	Fall
		ADC5110	• Monetary Policy in Developing Countries	2	Spr
		ADC5019	• Policy Evaluation	2	Spr
		DCC5280	• Public Finance	2	Spr
		DCC5370	• Public Finance and Budgeting	2	Fall/Spr
		ADC5002	• Research Methodology	2	Win/Spr
		ADC6526	• Time Series Analysis	2	Spr
		Core Elective Courses (Basic Discipline) At least 8 credits in total	Political Science (GSIR Courses) At least 2 credits	ADC5375	• Comparative Government and Politics
ADC6929	• Contemporary International Security Issues: National and Human			2	Fall/Spr
ADC5060	• Foreign Policy Analysis			2	Fall
ADC5462	• Human Rights and Global Justice: Cultures, Gender, and Equality			2	Fall (2)
DCC5335	• Managing Public Organizations			2	Win (2)
Economics (GSIR Courses) At least 2 credits	ADC6765		• Cost Benefit Analysis	2	Spr
	DCC5265		• Development Policy and Globalization	2	Win
	ADC5480		• Essentials of Economics	2	Fall/Win
	ADC5050		• International Economic Systems and Order	2	Win
	DCC5245		• Macroeconomics I: Income Theory	2	Fall (2)
	DCC5238		• Microeconomics I: Price Theory	2	Fall (2)
Management (GSIM Courses) At least 2 credits	ACT1010		• Financial Accounting	2	Fall (2)
	MGT1000		• International Management	2	Win (2)
	MKG1010		• Marketing Management	2	Fall (2)
	OPR4160		• Operations Management	2	Win (2)
	MGT1010	• Organizational Behavior	2	Win (2)	
	MGT1050	• Strategic Management	2	Fall (2)	
Elective Courses	Select from among all the courses offered in IUJ (including language courses) in consultation with faculty. The maximum number of credits of language courses which can be counted towards required credit for graduation is 4.				
Required Number of Credits for Graduation 40 credits					

In addition to the minimum credit requirement for each category mentioned above, students are required to obtain at least 30 credits from the courses which is offered by the school to which they belong.

There are courses which are listed in two different categories. In case students take those courses, the credits taken from them can be counted under each category. For example, "Macroeconomics I: Income Theory" is counted as both Core Required and Core Elective (Basic Discipline, Economics). However, only 2 credits from this course can be counted towards graduation requirements.

Note1) Although "Advanced Seminar I, II and III" are the Core Required courses and students are required to obtain 6 credits from them, only 2 of the 6 credits are counted toward graduation in the research report option while 6 credits will be counted in the thesis option.

Note2) The required number of Core Elective course credits differs depending on whether a thesis or research report is to be undertaken. In the thesis option, 2 credits must be obtained while 6 credits must be obtained in case of a research report option.

		OPR4160	• Operations Management	2	Win (2)
MGT1010		• Organizational Behavior	2	Win (2)	
MGT1050	• Strategic Management	2	Fall (2)		
Elective Courses	Select from among all the courses offered in IUJ (including language courses) in consultation with faculty. The maximum number of credits of language courses which can be counted towards required credit for graduation is 4.				
Required Number of Credits for Graduation 40 credits					

In addition to the minimum credit requirement for each category mentioned above, students are required to obtain at least 30 credits from the courses which is offered by the school to which they belong.

There are courses which are listed in two different categories. In case students take those courses, the credits taken from them can be counted under each category. For example, "Managing Public Organizations" is counted as both Core Required and Core Elective(Basic Discipline, Political Science). However, only 2 credits from this course can be counted toward graduation requirements.

Note1) Applied Econometrics is designed for PMPP students who do not have strong mathematical and statistical backgrounds. If the students wish to take the advanced econometrics courses such as "Cross-sectional and Panel Data Analysis" and "Time Series Analysis", they are recommended to take "Econometrics" instead.

Note2) Although "Advanced Seminar I, II and III" are the Core Required courses and students are required to obtain 6 credits from them, only 2 of the 6 credits are counted toward graduation in the research report option while 6 credits will be counted in the thesis option.

Note3) The required number of Core Elective course credits differs depending on whether a thesis or research report is to be undertaken. In the thesis option, 6 credits must be obtained while 10 credits must be obtained in case of a research report option.

Elective Courses		Select from among all the courses offered in IUJ (including language courses) in consultation with faculty. The maximum number of credits of language courses which can be counted towards required credit for graduation is 4.								
Required Number of Credits for Graduation 40 credits										

In addition to the minimum credit requirement for each category mentioned above, students are required to obtain at least 28 credits from the courses offered by the school to which they belong.

There are courses which are listed in two different categories. In case students take those courses, the credits taken from them can be counted under each category. For example, "Foreign Policy Analysis" is counted as

both "Basic" of MA in International Relations and Basic Discipline of Political Science. However, only 2 credits from this course can be counted toward graduation requirements.

Note 1) Applied Econometrics is designed for PMPP students who do not have strong mathematical and statistical backgrounds. If the students wish to take the advanced econometrics courses such as "Cross-sectional and Panel Data Analysis" and "Time Series Analysis", they are recommended to take "Econometrics" instead.

Note 2) The required number of JGDP course credits differs depending on whether a thesis or research report is to be undertaken. In the thesis option, 12 credits must be obtained from JGDP courses, while 16 credits must be obtained for the research report option.

Note 3) Although "Advanced Seminar I, II and III" are the Core Required courses and students are required to obtain 6 credits from them, only 2 of the 6 credits are counted toward graduation for the research report option while 6 credits will be counted for the thesis option.

Course Requirements for the Class of 2022* (*Students who enrolled in 2020)
