Elective Courses 8 credits(EP) 6 credits(DP)	GSIM course(s) at least 2 credits	At least 2 credits must be obtained from GSIM courses excluding the JGDP courses listed above.					
	6 credits(EP)/ 4 credits(DP)	Select from all the courses offered at IUJ (including language courses) in consultation with faculty. The maximum number of credits for language courses which count towards graduation is 2. The extra credits students obtained from the courses listed in Core Elective categories above can be counted as Elective course credits.					
Required Number of Credits for Graduation:							
40 credits (Thesis option) / 44 credits (Research Report option)							

In addition to the minimum credit requirement for each category mentioned above, students are required to obtain at least 30 credits from the courses offered by the school to which they belong.

Note 1) Students in Economic Policy concentration must take all the Basic Core Required courses in the first year, while students in Development Policy concentration must take 6 courses marked with an asterisk (*) in the Basic Core Required courses in the first year.

Note 2) The required number of JGDP course credits differs depending on whether a thesis or research report is to be undertaken. In the thesis option, 12 credits must be obtained from JGDP courses, while 16 credits must be obtained for the research report option.
