2015	92%	TBA	TBA	

*Includes those postponing their job hunt until returning home.

**Other includes continuing studies and family obligations

*** Result of Lehman Shock affect

**** Rate as of 3 weeks PRIOR to graduation.

Note on 2014: One job hunting MBA student did not secure permanent employment until 4.5 months after graduation, after starting the job hunt upon his return home. All other candidates were employed within 3 months.
